The proceeding of the meeting is as follows:-

The meeting began with a prayer administered by the Director, Rev. Fr. Simon Raj.

Thirtieth Executive Committee Meeting of PPA – 12/08/23

Sr. Alice Thomas
PRINCIPAL
St Paul Institute of Professional Studies
INDORE

The Director heartily welcomed all the members to the meeting and then requested Prof Rahat to read the previous meeting report. As a follow-up, he shared that the two students were expelled from the college as per the discussion in the previous meeting of PPA, but Mr Sanskar is incessantly approaching the college and requesting to let him continue in this college. The Director said that the decision has been taken unanimously. The minutes was duly passed.

Address by the Principal

The Principal, Dr. Sr. Alice Thomas welcomed the members and then requested to remain silent for minute as a mark of tribute to Ms Nandini Khandelwal , the student of BA II year, who passed away on 11 August 2023 in a road accident.

The Principal very delightedly shared that Admission Process is going on well and till date 567 admissions had taken place. She further added that the college has started the Skill Development courses in the fourth lecture for all the first year classes and the classes are held regularly. Mr Oberoi shared that these courses would be helpful for the students and that he would also provide the placement opportunity to the students who are skilled and deserving. Dr Goldie shared that last year 102 placements had taken place.

The Principal shared that there will be Industrial Exposure Tour for the second year students to Pune. She was happy to add that the college would be getting the Autonomous status probably in the next week and the very first year would be under autonomous. The Director added that 90% work is according to the norms of the Autonomous. Everything regarding the Internal exams, yearly calendar and other things are as per the guidelines of Autonomus and only few things are to be incorporated. The members applauded and thereafter, Mr Chandran suggested to plan for PG Classes in English literature and in Psychology as well. The Director shared that the students of today are job oriented and for PG they are less interested to be regular.

Mr Oberoi added that the courses like GST, Income Tax, Stock Market etc which are in high demand in market today can also be a part of skill development courses and that he could be of great help in placing the students with these courses.

Election Process: Dr Goldie shared that as the New Academic Year has started, the President needs to be elected from the third year parent representatives and as only one parent Mr Sebastian Joseph was present from the third year parent, he was unanimously selected as the President of PPA for the Academic year 2023-24. Then the members of second year were requested to nominate voluntarily for the post of Vice President. The members unanimously selected Mr Chandran as the Vice President and then Ms Riya Mamtani as the Joint Secretary. The newly elected members were applauded and the Director then informed the members that on October 02, 2023, there will be Annual General Body meeting and the selected members should take a leading role for the upcoming program.

Mr Chandran appreciated and applauded the managerial skills of the Director. He also mentioned that the Director and the Principal have created an excellent aura in the society and that he is blessed to have his daughter as a part of such Institute. He further appreciated and admired the faculty members Dr Chetna, Dr Goldie and Prof Rahat and other faculty members for their contribution in enhancing the skills and grooming and transforming the students. He very delightedly expressed that this college is not one of the best college but the BEST.

Mr. Joseph shared that such atmosphere of Academics and other activities is not seen in other colleges and no such meetings take place there. The Director again shared that the transformation is seen in the students very clearly at SPIPS therefore, we never struggle for admissions. We have toppers with good Ranks from Humanities and Commerce Department. Ms Nilofar delightfully shared that she is happy with the proceedings of her daughter and that her daughter is also happy with the culture of the college.

The Director intimated that they are looking forward for new industrialist and other Entrepreneurs with good resources who could be of great help in exposing the students to

Industry and corporate atmosphere. Such people could be invited for the Board of Studies meeting and that they could be the members as well. He requested the PPA members to look for such industrialists or those people who are interested to contribute for the growth of the college.

Principal also requested that as we get the autonomous status the Board of Studies meeting would be conducted department wise and if knowledgeable and good persons from outside could be incorporated, they would be of great help to the department and to the college.

The Director thanked all the members for their valuable suggestions and their active participation in the meeting.

The Convener, Prof Rahat thanked Dr Goldie for her valuable contribution in taking care of the PPA Committee since its inception. He thanked the Management for their wonderful support and cooperation and maintaining the transparency in every aspect. He further congratulated the selected members and requested them to extend their cooperation for the growth and development of the Institute.

The meeting concluded at 10:15 a.m.

Meeting of Director and Principal with Class Representatives

Date: 23rd September 2023

Time: 12.30 p.m.

Venue: Conference Hall

The points stated by the Principal and Director during the meeting are mentioned underneath.

1. It is the duty of class representatives to inform the class teachers about happenings in the class and problems of the classmates.
2. Implementation of duties and responsibilities is on the shoulders of student coordinators.
3. The college is vibrant because of the students and along with academic excellence the college is paying equal importance to cultural, sports, examination co-curricular and extracurricular activities. The main motive of this is to make the students multitasking. Variety of activities are organised in which the students can prioritize and participate as per their interest.
4. The initiation of skills development programme by expert faculty members for the first year has been done in order to improve the employability.
5. All the aspects of internal examinations like Common Class Tests, Assignment Presentations, Pre-University exam etc. Must be given due significance.
6. Students must not be mis influenced or swayed away by the handful of problem creators in the college.
7. The students must be regular to the classes and enjoy their college life. They need to be positive towards the disciplined environment in the college, the environment that has been specially designed to make it conducive for all the students and safe specially for the girl students.
8. The protocol has to be strictly followed in solving the problem. If in case any student has a problem, they must approach the class representative who in turn must talk to the class teacher, who would address the problem to the heads of the department and the HODS in turn will discuss with the college coordinator and the college coordinator would discuss with the Principal and then the Principal would discuss with the Director.
9. The suggestion of student regarding the scholarship to those who excel in their examination was placed in the suggestion box and this suggestion has been discussed in the Academic Council and it will be announced to the student soon.
10. The students should not discuss their problems in the veranda or canteen, rather they should discuss all things in the faculty cabins.
1. The students must be very careful about the other students and people who want to tarnish the image of the college.
2. The Management wishes to make the college a student led college and hence it is the duty of the student to support the Management in this endeavour.
3. The Parents Professors Meeting would be organised on 2nd October and it is the duty of the class representative ensure that their parents attend the meeting. In the meeting the group insurance for the students will be discussed.
4. All the class representatives and the student coordinators must be model for the students.

Meeting of Director and Principal with Class Representatives

Date: 7th February 2024

Time: 12.30 p.m.

Venue: Conference Hall

The points stated by the Principal and Director during the meeting are mentioned underneath.

1. The Principal thanked the class representative for all the works they done in the committee, specially the third year CRs who would be leaving the college.
2. She said that the M.Com. 1st year result under autonomous status is already given.
3. Explaining the benefits of autonomous the Principal said that timely conduct of examination, skills development courses and certificate courses are possible under autonomous.
4. She emphasized on the overall development along with strong value and sustainable development approach.
5. She motivated the class representatives to be model to other students and also inculcate the same in the classmates.
6. The Director thanked all the class representatives for their cooperation and for being disciplined he owed the credit of all achievements of the college to the students.
7. He informed that though we have become autonomous but we would be under the banner of Devi Ahilya University, Department of Higher Education and AICTE.
8. Emphasizing on the benefits of autonomous, the Director said that our college will have a number of privileges. He said the students need to regularly check the college website and be updated as all the information regarding the exams and guidelines, time table etc. would be shared on college website. He added that no compromise will be done in the norms and guidelines.
9. The probable dates of 1st year examination would be from 3rd April to 18th April.
10. Introducing new certificate courses will be a part of curriculum and foreign collaboration we also be done next year.
11. As a part of autonomy, Experts and Principals of different colleges are the part of the Academic Council and different statutory bodies of our college and hence it would be beneficial for our students.
12. This year summer vacation project will be there and hence the students were requested to be in touch with the professors.
13. The Director said that the degree course is not enough and hence he encouraged the students for higher studies. he said that the students of SPIPS doing MBA from our college will be given special privilege and benefits.
14. The flying squad in the first-year examination would be from your city Director request the class representative to update it to the parents.
15. The Director informed the class representative that during the annual day celebration the best talent of the college would be given priority in order to respect the renowned personality and guest would be coming to the college. He requested all to be actively involved and shun the negative forces.
16. The Director showed delight and said that he is happy to see that the college is becoming student led.

Then the Director invited the class representatives to give the feedback and suggestions.

1. CR Mr. Lokratna Divedi enquired about starting of MA and psychology as the major subject. The Director assured that the college is working on the same and as the college has become autonomous now so psychology would be taken as the major subject.
2. CR Naajneen Khan whole heartedly thanked the Management, her class teacher and faculty members for giving ample opportunity to the students.
3. CR Anuragini said that over the time she has felt that the college gives ample opportunity to the students. the infrastructure is the best. she also shared about the exposure she got through the industrial visit. She added that her classmates and faculty members are very cooperative and supportive.
4. Student coordinator Chanchal Tiwari said that she has noticed a huge change in her personality. the potential of the students is explored to the best in this college. She appreciated her teacher and the loving care the students get at SPIPS.
5. CR Mr. Lokratna Divedi sought for the permission of shooting short film in the college campus. To this the Director said that without permission it is not allowed as the same can be misused.
6. CR Garima requested to increase the font size of question paper. the Director noted the suggestion and assured that the college would take due care. He also shared that the mono of the college on the question paper has been diluted.
7. CR Vineet Bastin while appreciating the college requested for practical knowledge for running the business. To this the Director shared that the college is grooming the personality of the students for entrepreneurship and leadership through various invited talk, guest lectures, business plan, Fiesta and a variety of practical knowledge enhancing programs. The Director requested the students to be in touch with the training and placement officer.
8. Student coordinator Ambika Ray requested for starting the martial art classes for girls students in the college. to this the Director and the Principal said that the college is ready to provide all necessary benefits to the students. In this regard he requested the student coordinator to prepare a list of the girls who are interested in having this classes. if the number is sufficient then we would call a trainer and give training to the students. the Director with the heavy heart shared that the college has been paying a huge amount to the resource person but due to lack of enthusiasm and attendance of the students the initiatives do not turn fruitful.
9. The College Coordinator Dr. Unmekha Tare and Students Welfare Committee Convener Dr. Goldie Zaki thanked the student coordinators and class representatives for their whole hearted support and cooperation throughout the year.
