Free Health Camp Report & Learning Outcomes

Medical camps play a vital role in our society by providing essential healthcare services to underserved communities, particularly those in remote or marginalized areas. They provide access to basic and specialized medical services, raise awareness about health issues, and can help prevent the spread of disease. Medical camps are a valuable tool in addressing health inequalities and improving the overall health of our society. Keeping this in view a Free Health Camp was organised at Asrawad Khurd on 11th September 23 in association with Apollo Hospital Indore. The health camp benefitted around resident of the village, in which the hospital provided free services like blood pressure, sugar level, Eye checkup, ECG and general consultancy. The sarpanch of the village appreciated the initiative taken by the institute.

Participation in Smart Relay Report & Learning Outcomes

Smart Relay on Voter Awareness under the flagship programme of Election Commission of India, SVEEP (Systematic Voter Education and Electoral Participation) was organised by the students of St. Paul Institute of Professional Studies Indore from Chappan Dukkan to Rajwada was organised on 24th September 23. The students tried to explain the residents of Indore that each and every vote counts for a better future of our country. The students also informed about voting and how to be a responsible voter. A lot of people want to vote, but many are not aware of its need and how to cast it. This is where voting awareness comes into play. The idea of voting awareness is to help people understand the importance of voting. Voting is an important way for voters to control their government. It is a method for citizens to express what they want from their leaders by raising awareness about voting. This will lead to better governance and what everyone wants – a democracy that is free, fair and representative.

Indore Collector Mr. Ilaiya Raja T recognised the efforts of the students and felicitated them with the certificates.

International Yoga Day Report & Learning Outcomes

In today's fast-paced and demanding world, students face various challenges that can impact their overall well-being and academic performance. Incorporating yoga into their daily routine can be a game-changer. We at St. Paul Institute of Professional Studies tried to explore the profound importance of yoga in a student's life, highlighting how this ancient practice cultivates mind-body balance and nurtures holistic development.

One week workshop was organised for the students from 15th June to 21st June 2023 in which 15 students regularly practised yoga under the guidance of Dr. Avinash Yadav.

This year the theme of Yoga Day is 'Yoga For Vasudhaiva Kutumbakam' i.e. Yoga for the welfare of all in the form of 'One World-One Family'. It emphasises the spirit of Yoga, which unites and takes everyone along. Taking into consideration the theme various Yoga Workshops were organised for the citizens of Indore at Residency Club, Government Middle School Vinobha Nagar, Government School Chittawad in which more than 100 students & faculty of these schools were benefitted.
