

St. Paul Institute of Professional Studies, Indore

SPIPS Memoir

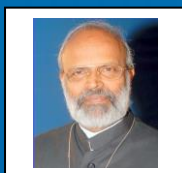

St. Paul Institute of Professional Studies (SPIPS), Indore was established in the year 2010 with a vision of becoming a College with a difference. Even though the city of Indore boasts a large number of Colleges, yet there was a demand from the society for establishing a Christian College that would enrich the students with Value Based Quality Education.

 Let Your Light Shine

SPIPS undertakes many good practices for the holistic development of the students. The College is striving to accomplish its mission with the help of initiatives such as dedicated mentoring, effective teaching pedagogy, academic operations, comprehensive education, organizing life skills courses, emphasis on regular attendance, contribution towards society, providing an interactive, creative, safe and secure environment and many more...
